

An aerial photograph of a city skyline at dusk. The sky is a mix of deep blue and light purple, with scattered clouds. Numerous skyscrapers are visible, many with their windows illuminated. A prominent building in the center has a glowing yellow facade. To the right, a building has a red 'Marriott' sign. The overall scene is a dense urban landscape.

OUR CEO

McMillan has over 35 years of experience in the banking industry. The cryptocurrency enthusiast is now leveraging his extensive experience and love for cryptography to connect the world and offer everyone a chance to generate a stable alternative income. McMillan grew up in very poor conditions. However, he is very ambitious and had intended since childhood, to help his family attain financial freedom. His older brother noticed young McMillan's ambition early enough and supported him financially by working on construction sites. This sibling sacrifice helped McMillan put all his effort into education and made him hungrier for success and dedicated to the cause of uplifting his family! His vision is to change the world. A vision to offer people equal earning possibilities. To provide an opportunity for people to simply earn money without much effort. His vision sees everybody – a family-like McMillan's included, having the opportunity to afford the luxury. This is the vision that drives!
